Dear Sirs:

I am happy to write a recommendation letter about our experience with A-1 Adjusters Associates that has proven to be beneficial to our organization. Our adjuster, Jose Herazo, has assisted us in getting timely commitment from the insurance company for our loss at a level that was higher than expected given our past experience. In fact, A-1 Adjusters made sure that we were given coverage for damages that the insurance company had chosen not to respond to before the involvement of our public adjuster.

As a result of my experience, I feel comfortable recommending A-1 Adjusters Associates as a public adjusting company that understands insurance and the needs of the business world.

Sincerely,

Gonzalo Martinez
